

Call for Paper for the Session "Temporary Infrastructure for Sports Events" at the IAKS Congress in Cologne, November 7, 2017

Bern, March 29, 2017

Dear Members

as mentioned during the General Assembly Meeting in Basel, AGES has been invited to organize and chair a session called "Temporary Infrastructure for Sports Events" at the next IAKS Congress in Cologne.

About IAKS Congress

IAKS will be holding its 25th international congress for the design, construction, modernization and management of sports and leisure facilities on the occasion of the FSB Trade Fair in Cologne from 7th to 10th November 2017.

About the Session

The session "Temporary Infrastructure for Sports Events" is scheduled November 7, 2017 (afternoon session) and will last 90 min. Each presentation (3) shall last approx 20-25 min. The presentation shall show innovative solutions of temporary or semi-permanent sports facilities, from the architects and/or the builders perspective. The presentation shall focus on one specific project (best practice). The session will be completed with a short panel discussion.

Call for Paper

We kindly ask interested members to return this email, by **latest April 5, 2017** indicating the topic they wish to present. Please note that the session is limited to max 3 presentations and AGES may reserve the right to select papers.

About IAKS (www.iaks.org)

The International Association of Sports and Leisure Facilities (IAKS) was founded in 1965. The IAKS contributes to the economic and environmentally friendly realization of sports and leisure facility projects and thus highlights the right of citizens to demand-driven and functional sports facilities.
