

## Sportaccord 2019, Gold Coast

Email sent to members and associate members, October 6, 2019

---

Dear AGES members and associate members

The [SportAccord Convention 2019](#) will take place at [Gold Coast Convention and Exhibition Centre](#) in Queensland, Australia from 5-10 May, as recently announced by Sportaccord.

In the past, AGES organized a joint booth for interested members and associate members and at the last edition in Bangkok the interest was flagged to showcase the industry's capabilities at a larger scale. Now, with the selected host city of Gold Coast being far away for most of our members, the interest of participating with a joint booth might be higher, if interest there is?

In order to negotiate a suitable proposal with the Sportaccord Management, we wish to explore your interest in:

- a) to participate in a joint stand, if yes please briefly explain your requirements/expectations and the number of participants you wish to send.
- b) to participate as a delegate only, if yes, the number of participants
- c) no interest

Upon your return by email until October 19, 2018 latest, we will

- get back to the parties interested in a) with a concept and a budget, and
- inform the parties interested in b) if we can negotiate a preferred rate

We are looking forward to hearing from you soon,

with kindest regards,

---
