

Pre-Announcement for AGES members, February 2022

## CargoLive, the long-term Industrial Partner for Logistics and Transportation of the Association of Global Event Suppliers becomes ROCK-IT Global

### ABOUT GLOBAL CRITICAL LOGISTICS (GCL) AND ROCK-IT GLOBAL (RIG)

Headquartered in Los Angeles CA, Global Critical Logistics (GCL) is the holding company for **Rock-it Global** (a consolidated company of the former Rock-it Cargo and Sound Moves) a provider of high-touch, mission critical air, ocean and surface freight forwarding and logistics to the live entertainment and music touring, sports and broadcasting, fine arts, classic and high-end automobiles, film & TV, corporate events, industrial projects, and humanitarian relief end markets through its family of affiliated leading brands (including but not limited to, Rock-it Global, Dietl, Cosdel, **CargoLive**, and Dynamic International).

Through their offices in North America, Europe, the Middle East, China, Japan, Australia, Central and South America, augmented by a network of long-term partner agents specializing in critical logistics, the companies of CGL have served thousands of customers annually for over 40 years with bespoke, specialized logistics solutions for the most demanding transportation requirements on all seven continents.
